Food Depot feeds your family for less

At Food Depot, we save you money!

Most stores add a 20-40% mark up on items throughout the store and put a few items "on sale" each week to make it seem like they have lower prices.

At Food Depot, we make it simple!

We take our cost for every item in the store and add 10% at the check out. That's it... Simple, Fair and Honest!
